THE GROUNDS

The grounds include three immaculate pitches, the reservoir and the banks of the river Cam, all set in the beautiful surroundings of The Fens in the Cambridgeshire countryside. The secluded club is within the ecologically important National Character Area of The Fenlands in Cambridgeshire and has outstanding scenery everywhere you look.

Marquees can be placed anywhere on our grounds, catering to events of any size, from glamping along the river bank or a small affair on the paddocks lawn to a large capacity party on the fields.

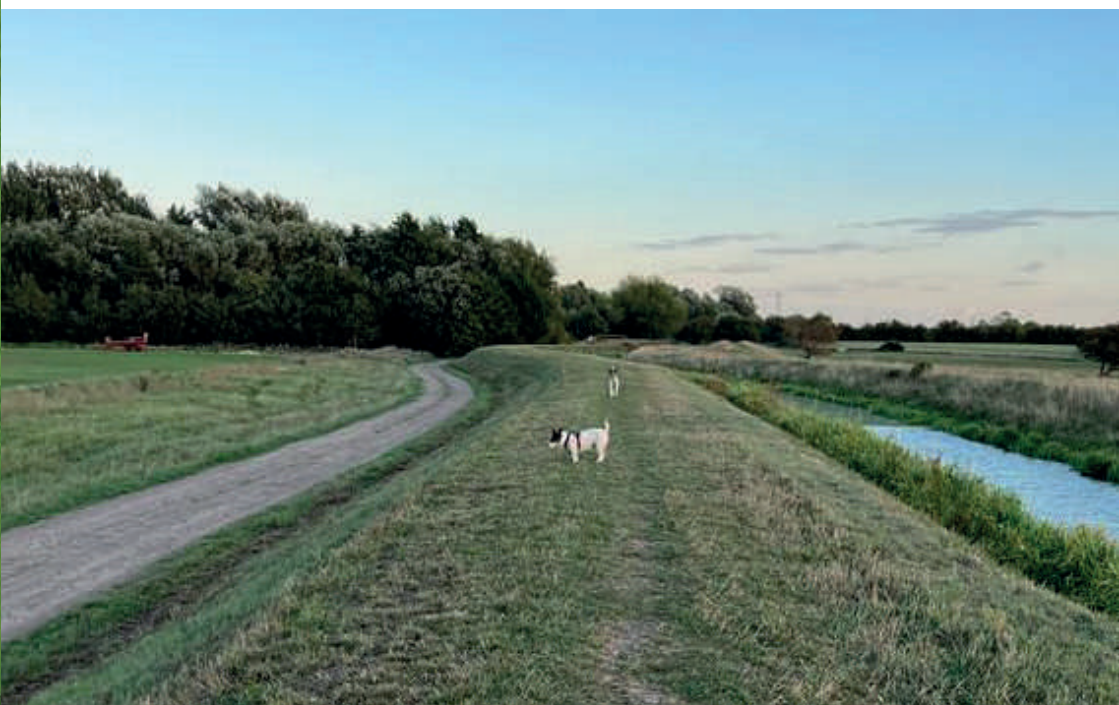

THE RIVERSIDE

THE GROUNDS

An aerial photograph of a large, white, rectangular event tent with a series of arched windows along one side. The tent is situated on a well-maintained green lawn. To the right of the tent is a large, irregularly shaped reservoir of water, bordered by tall reeds and grasses. The surrounding area is lush green, with a paved road and a fence visible in the upper left corner. The overall scene is bright and clear, suggesting a sunny day.

An exhibition match provides the perfect entertainment for an event. It doesn't matter if you are completely new to the game of polo or already an avid fan, this exciting game is sure to entertain all your guests.

Get involved in-between chukkas by stomping the divots or relax and watch the match from pitch side with a glass of fizz. We can provide pitch side marquees, seating and refreshments, just let us know your needs and we will make it happen.
